EDITOR

ABOUT ME

A seasoned media professional with over 20 years in postproduction, excelling in video and audio editing, music composition, sound design, motion graphics, and color correction. A skilled storyteller, I bring creativity, technical expertise, and problem-solving abilities to diverse projects across film, television, commercials and web content.

SKILLS

- Meticulous attention to detail and unwavering commitment to high production standards.
- Capable of skillfully planning and executing projects from concept to completion, with or without a director or script.
- Keen awareness of transitions, knowing when to craft custom ones or opt for simplicity.
- Proficient in motion graphics and design software.
- Strong sense of rhythm both audio and visual.
- Exceptional music editing skills, adept at selecting, splicing, mixing, or composing to evoke the right mood.
- Highly organized, capable of troubleshooting and maintaining Avid projects.
- Versatile music composer with a wealth of experience in film, TV, animation and live performance.
